Project reports

All final completion reports for CEPF-funded projects in the Eastern Afromontane Hotspot can be found here

Capacity needs assessments

The CEPF Eastern Afromontane RIT issued the production of several Civil Society Capacity Needs Assessments for the hotspot:

Reso navi

- **Tanzania** - *Assessing the Capacity of Civil Society in Tanzania to Support Sustainable Financing and Related Actions for the Conservation of Priority Key Biodiversity Areas and Corridors* (PDF, 926 KB) by the Capacity Building and Leadership Institute.
- **Yemen -** *Capacity Needs Assessment of Civil Society Organizations in Yemen* (PDF, 1.23 MB) by Enviromatics - Amjad and Majdi Salameh Company.

Assessments for Eritrea and South Sudan will be posted later.
