SCOPE OF CALL

This is the fourth of several Calls for Proposals over the investment period of 2012-2017 and as such, is purposefully limited in scope, focusing on **CEPF Strategic Direction 1, Investment Priority 1.3; and Strategic Direction 3, Investment Priorities 3.1, 3.2 and 3.3**, as described in the [Ecosystem Profile](#). We will not accept proposals for other Strategic Directions / Investment Priorities at this stage.

Strategic Direction 1. Mainstream biodiversity into wider development policies, plans and projects to deliver the co-benefits of biodiversity conservation, improved local livelihoods and economic development in priority corridors.

Investment Priority 1.3. Support civil society to build positive relationships with the private sector to develop sustainable, long-term economic activities that will benefit biodiversity and reduce poverty in priority corridors.

Strategic Direction 3. Initiate and support sustainable financing and related actions for the conservation of priority KBAs and corridors.

Investment Priority 3.1. Support civil society organizations to develop forest carbon partnerships and projects that advance biodiversity conservation in priority KBAs in Africa.

Investment Priority 3.2. Support civil society organizations to develop partnerships and projects for non-carbon payment for ecosystem services schemes and other market mechanisms in priority KBAs in Africa, particularly priority freshwater KBAs that influence freshwater biodiversity, livelihoods and health.

Investment Priority 3.3. Support training for civil society organizations in fund-raising and project management, especially training such organizations at all levels with respect to emerging opportunities for sustainable financing for KBAs in Africa.
