

Volunteering with BirdLife Africa

Title

Volunteers are extremely important to the BirdLife International Africa Partnership and Secretariat. With you and others like you, we are able to make a difference to the protection of threatened bird species, the conservation of Important Bird Areas and the safeguarding of ecosystem services for local livelihoods in Africa!

Volunteering with BirdLife International will provide you with all kinds of new and exciting opportunities. You will learn new skills, meet new people, explore some of the stunning areas we work in and experience something completely removed from your usual routine whilst making a valued contribution to the important work of the [BirdLife International Africa Partnership](#).
