

New edition of The Babbler

Title BirdLife International *in Indochina* has released its quarterly newsletter, Babbler 34, for April - June 2010, which includes a feature on BirdLife CEPF Regional Implementation Team progress in Indochina (pages 36 - 40). This feature gives an update on an additional seven large and two small grants, brief progress of eight funded projects, the fourth CEPF supervision mission to Indochina and the second National Advisory Group meetings for Cambodia and Vietnam. The newsletter can be downloaded [here](#) (PDF, 6.0 MB).
