

New edition of The Babbler

Title BirdLife International *in Indochina* has just released its quarterly newsletter, Babbler 35, for July - September 2010, which includes a feature on BirdLife CEPF Regional Implementation Team progress in Indochina. This feature gives an update on an additional one large and one small grant, brief progress of fifteen funded projects and especially the CEPF mid-term assessment workshops held in July in Cambodia, Laos and Vietnam. The newsletter can be downloaded [here](#) (PDF, 5.2 MB).
