

New WOW Publication Showcases 'Flyway Conservation at Work - Across Africa and Eurasia'

Title The third annual newsletter of the Wings Over Wetlands (WOW) UNEP-GEF African-Eurasian Flyways Project has now been printed and is available from the WOW Project Coordination Unit upon request. BirdLife is a key partner in the WOW project which is making an enormous difference to the understanding of migratory waterbirds and their needs, demonstrating best practice in the conservation and wise-use of wetlands, and increasing cooperation along the flyway. The new publication gives an overview of the WOW project and the latest achievements of this unique flyway initiative in the African-Eurasian region. To download an electronic version of the WOW Newsletter [please click here](#).
