

Support Us

By making a regular monthly donation to BirdLife International you would be providing us with a steady income. The knowledge of this guaranteed cash coming in each month helps greatly in our fight to conserve birds, their habitats and global biodiversity.

How can donations be made?

Whilst you are more than welcome to send us cash or a cheque every

month, we find that most people prefer donating online. We work with [Justgiving.org](https://www.justgiving.org) to provide an efficient way to contribute funds to BirdLife. Donating money using Justgiving is quick, easy, free and 100% secure.

- [Justgiving.org](https://www.justgiving.org) accepts payments to BirdLife with Visa, Mastercard, Switch or Solo payment cards.
- You can donate from any country, and your card account will be debited in UK£ and your card provider will handle currency conversion.
- If you live outside the UK, we advise you use an online currency converter ? such as www.xe.com - to estimate how many UK£ you wish to donate.
- If you are a UK taxpayer, Justgiving ensures a 28% tax bonus is added to your donation at no cost to you.

To donate monthly click on the button above and select the **monthly option**. Alternatively you can choose to give a **one off donation**.
